ENRICHING ALL SIX MILTON PUBLIC SCHOOLS

28 years of Milton Foundation for Education (MFE)

MFE is an independent, non-profit organization separate from the Milton Public Schools. MFE works to make possible innovative programs and opportunities that are beyond the reach of the Milton Public School system's budget. We support **all** children in **all** grades in **all six** Milton Public Schools.

Over the 28 years sponsorship has helped the MFE to:

- Donate over \$4 million to the Milton Public Schools.
- Fund wireless technology in all six Milton Public Schools.
- Build a state-of-the-art biotech lab at Milton High School.
- Place 400+ devices in schools, including SMART Boards, Kindles, Chromebooks, iPads, Apple TVs and more.
- Open the Wildcat Wellness Center at Milton High School, a reengineering of the weight rooms with state-of-the-art equipment and a brand new aerobic/cardio exercise room for use by all MHS students.
- Support anti-bullying initiatives and mentoring programs.
- Enhance the Library spaces with books, flexible seating, 3D printers & maker-spaces to advance STEM learning.
- Install STAR Lab at Pierce Middle School.
- Equip all six school gyms with updated fitness equipment.
- Support the arts with music books, instruments, art equipment, art docents and artists-in-residence.
- Add Discovering Justice Program to the History Department.
- Award over \$500,000 in competitive teacher grants supporting individual innovations in classrooms that meet the needs of all students.
- Spearhead a Mental Health Initiative supporting both parents and students.

We are sincerely grateful to all the businesses and individuals who have been our sponsorship partners. Together, we have made a positive and lasting impact on the students of the Milton Public Schools.
